

London's Leading VIP Concierge Since 2010

Since its inception in 2010, the Capital A List membership is a niche concierge service specializing in access to exclusive restaurants, nightclubs and bars in London, as well as invite-only events. We create your itineraries, make your reservations through our vast network of contacts and ensure you receive the highest level of service at all venues.

Our Gold membership is designed for personal use which includes businesses with only one user. Our members include professionals in finance, law, hospitality and media among other industries.

Our Corporate membership is tailored to suit larger organizations with multiple users, focusing on client and staff entertaining. We understand how important it is to ensure your choice of venue reflects your brand values as well as aligning with those of your client. Our members include investment banks, law firms, insurance companies and more.

Benefits For Personal Use:

Enhance your social life with access to the newest and most exclusive venues in London

Save valuable time by using us to arrange your reservations and itineraries

Expand your network of contacts at our exclusive members events

Be up to date with where the trendiest new hot-spots are

Benefits For Business Use:

Free up internal company resources thus allowing other business to be prioritized

Gain an advantage over competitors by offering our service, or white label our service under your brand, to your clients and staff

Engage and build relationships with your clients in the best possible locations to ensure you win new business and retain current clients

Look after staff by offering special perks for being loyal employees

Bookings at London's top restaurants. Guestlist and table reservations at exclusive bars and VIP nightclubs

Recommendations based on your member/company profile and particular requirements

Special perks including VIP treatment, complimentary drinks and priority reservations

Event planning including office Christmas parties, product launch events and team events
